... siente la luz

“... Siente la luz”, es la frase que viste y acompaña nuestra imagen desde el nacimiento de MANTRA.

“... Siente la luz, transmite la “filosofía” que pretendemos inspirar con nuestra forma de hacer. Los elementos de las colecciones además de iluminar, aportan sencillez y belleza, sin caer en la ostentuosidad o lo vulgar.

Lámparas y auxiliares presentan una depuración de líneas y cierta personalidad, otorgándoles un toque sutil diferenciador.

Por eso confiamos en el buen hacer... la profesional labor de nuestros diseñadores y en nuestro criterio a la hora de crear y seleccionar objetos de iluminación que aporten personalidad, carácter y que a su vez alumbren de forma eficaz y efectiva sus espacios de una manera especial.

“... Siente la luz... siente MANTRA”.

“... Feel the light” is a phrase which has decorated and accompanied our image since the founding of MANTRA.

“... Feel the light” transmits the “philosophy” which we aim to inspire with our way of working. The elements of the collections not only provide lighting but they also decorate with elegant simplicity and beauty without excess ostentation or vulgar style.

Lamps and accessories provide graceful streamlined designs with a special personality, which give them a subtle differentiating touch.

Consequently, we trust in the craftsmanship... the professional work standards of our designers and our criteria when creating and selecting lighting products which provide distinctive personality and character as we efficiently and effectively light up your spaces with a special style.

“... Feel the Light... Feel MANTRA”.

« ... Sentez la lumière », est le slogan qui accompagne l'image de MANTRA depuis son origine.

« ... Sentez la lumière » véhicule la philosophie que nous désirons inspirer par le fruit de notre travail. Les pièces de nos collections sont bien évidemment des sources de lumière, mais elles apportent également de la légèreté et de la beauté, sans jamais être ostentatoires ou vulgaires.

Les lampes et les compléments présentent des lignes épurées et une personnalité propre qui leur confèrent leur caractère distinctif.

Grâce à notre savoir-faire, au professionnalisme de nos designers et à notre jugement, nous créons et sélectionnons des luminaires qui apportent une touche originale et singulière tout en éclairant différemment et efficacement vos espaces.

« ... Sentez la lumière... sentez MANTRA ».

MANTRA es una joven empresa que comenzó su actividad en el sector de la iluminación a mediados del año 2000. Con creación y diseño propio, ha intentado aportar una "iluminación accesible, con diseño y calidad al alcance de todos", convirtiéndose este "lema" a partir de aquel momento en nuestro objetivo a desempeñar.

En un primer momento nuestro catálogo pretendió satisfacer el mercado español y los mercados vecinos, apostando con una amplia red de representación. Hoy podemos decir que MANTRA es conocida en gran parte del mundo al comercializar sus productos en Europa, América, Oriente Medio y Sudeste Asiático.

Confiamos en el buen hacer y la profesional labor de nuestros diseñadores y en nuestro criterio a la hora de crear y seleccionar objetos de iluminación que aporten personalidad, carácter y que a su vez iluminen de forma eficaz y efectiva sus espacios de una manera especial.

MANTRA is a young company which started its activity in the lighting industry in mid-2000. With creation and design in Spain, we tried to make an "affordable lighting, with design and quality available to everyone", becoming this "catchword" in own objective.

In first time we intended satisfy our catalogue Spanish market and neighboring markets, betting with a wide network representation. Today we can say that MANTRA is known in much of the world to market their products in Europe, America, Middle East and Southeast Asia.

We trust in the professional work standards of our designers and our criteria when creating and selecting lighting products which provide distinctive personality and character as we efficiently and effectively light up your spaces with a special style.

MANTRA est une entreprise relativement jeune qui a débuté son activité dans le secteur des luminaires en l'an 2000. Elle crée et conçoit ses propres luminaires, mais a décidé de les faire fabriquer en Chine étant donné la différence évidente de coût et les avantages qu'apportent une fabrication dans ce pays... afin d'offrir des « luminaires abordables, au design et à la qualité à la portée de tous ». Dès lors, cette devise est devenue l'objectif à atteindre.

Dans un premier temps, notre catalogue était destiné au marché espagnol et aux marchés limitrophes, grâce à un important réseau de représentants. Néanmoins, nous pouvons aujourd'hui affirmer que MANTRA est mondialement connue puisqu'elle commercialise ses produits en Europe, aux États-Unis, au Moyen-Orient et en Asie du Sud-Est.

c'est pourquoi, nous confions notre savoir-faire, au professionnalisme de nos designers et à notre jugement, nous créons et sélectionnons des luminaires qui apportent une touche originale et singulière tout en éclairant différemment et efficacement vos espaces.

- * Perfecta para reemplazar la lampara halogena de 35W
- * Libre de mercurio, Libre de emision UV & IR

Features

- * Voltage: AC 220-240V/50Hz
- * 20,000 hrs long life time
- * Instant start with full bright output flick free
- * Perfect replacement for 35W halogen lamp
- * No UV or IR emission, mercury FREE

LED E27 Bulb

Características

- * Voltaje: AC 220-240V/50Hz
- * 20,000 hrs. vida útil
- * Encendido instantaneo con potencia total
- * Perfecta para reemplazar la lampara halogena de 100W
- * Libre de mercurio, Libre de emision UV & IR

Features

- * Voltage: AC 220-240V/50Hz
- * 20,000 hrs long life time
- * Instant start with full bright output flick free
- * Perfect replacement for 100W halogen lamp
- * No UV or IR emission, mercury FREE

11W E27 870 Lumen

Item No.	R09137	R09138
Potencia nominal/Wattage(W)	11 W	11 W

LED E27 RGBW Bulb

Características

- * Voltaje: AC 110-240V 50/60Hz
- * 15,000 hrs. vida útil
- * Encendido instantaneo con potencia total
- * Perfecta para reemplazar la lampara halogena de 75W
- * Libre de mercurio, Libre de emision UV & IR

Features

- * Voltage: AC 110-240V 50/60Hz
- * 15,000 hrs long life time
- * Instant start with full bright output flick free
- * Perfect replacement for 75W halogen lamp
- * No UV or IR emission, mercury FREE

7.5W E27 RGBW
570 Lumen

Item No.	R00141
Potencia nominal/Wattage(W)	7.5 W
Temperatura de color/CCT(K)	RGB+3000 K
Flujo luminoso/Luminous Flux(lm)	570 lm
Tension nominal/Voltage(V)	AC 110-240V 50/60Hz

Ahorrar energía no es solo ayudar a mejorar y proteger el medio ambiente, también ahorrando energía ayudamos a mejorar nuestra economía doméstica, ventajas que alcanzan a nuestro bolsillo y que se traducen por sí mismas en una mejor calidad de vida. Así pues, MANTRA, es consciente de aportar producto al mercado de la iluminación con este fin, el de mejorar la eficiencia energética, da un paso más al pretender que sus elementos de iluminación aporten también diseño. Sabedores que hoy por hoy todos los elementos LED existentes en el mercado, si cada vez son más eficientes y potentes, son ante todo antiestéticos en cualquier ubicación en el hogar. Por eso hemos proyectado una línea de trabajo, posiblemente innovadora en todos los mercados, con la meta de “vestir el LED”.

Todos nuestros productos han superado un riguroso control de calidad a lo largo de todo el proceso de fabricación, desde la elección de los materiales hasta el embalaje final. Cumplen todas las normativas vigentes relativas a la seguridad y al respeto del medio ambiente. Colaboramos con laboratorios independientes para controlar y certificar nuestra calidad.

Nuestros productos cumplen las normas de seguridad y electromagnetismo de Europa: EN 60598 y marcado CE.

Así mismo, todos y cada uno de nuestros productos son piezas originales y de diseño propiedad de Global Manufacturing and Trading Company S.L estando todas ellas seriadas y protegidas como tales en el registro de patentes y marcas OAMI (para su mayor información visita la página <https://oami.europa.eu/eSearch/#advanced/designs>

Saving energy not only helps to improve and protect the environment but saving energy is also essential to improve our household economy, advantages which benefit our finances and help to improve the quality of our lifestyle. Hence aware of the importance of supplying such products to the lighting market with this aim, MANTRA also takes one step further to create an attractive design for its lighting elements. As everyone knows all the LED lighting elements available in today's market are increasingly efficient and powerful however they have a very anti-aesthetic image when installed inside the home. Accordingly, we have designed a new product line, possibly the most innovative in all markets with the goal of “dress the LED”.

All our products have passed strict quality control checks throughout the production process. From the choice of materials to the final package. They also comply with all the applicable regulations concerning safety and respect to the environment. We collaborate with independent laboratories in order to control and certify our quality.

Our products are conformity with the set safety and electromagnetism appropriate standards of Europe: EN 60598 and CE marked.

All of our products are original pieces and the property of Global Manufacturing and Trading Company S.L all products are registered designs and protected internationally by registration of design.
